

Remarks

Claims 1-10 are pending in the application. The Examiner has required Applicant to restrict the claims of the pending application to one of the following inventions:

Invention I: “a breathing mask with a protective shield”
 (encompassing claims 1-7); or

Invention II: “a storage box for a protective shield” (encompassing
 claims 8-10).

In response to the Examiner’s requirement, but without conceding the propriety thereof, Applicant elects Invention I (claims 1-7).

Conclusion

Applicant requests that the Examiner allow claims 1-7 and that a patent containing these claims issue in due course.

Respectfully submitted,
